Retirement Plan

Benefits of AGC Plan/Scale

- Reduced fees from group purchasing power
- Lower cost = more savings!
- Access to better investment options
- Direct payroll tax savings on prevailing wage fringe payments
- Plan design flexibility
- Reduced employer liability
- Robust investment menu

Northwest AGC Chapters

ALASKA | IDAHO | INLAND NW | OREGON | WASHINGTON

Retirement Plan

- Administration Cost Savings
 - All fees paid from plan assets
 - Significantly lower fees than small contractors can get with a stand-alone plan
 - Access to low cost investment options that are only available to large plans
 - Consolidated audit, legal, and oversight fees

Northwest AGC Chapters

ALASKA | IDAHO | INLAND NW | OREGON | WASHINGTON

Retirement Plan

- Prevailing Wage Cost Savings
 - All or a portion of prevailing wage fringe payments may be made as an employer contribution to the plan
 - Fringe contributions are NOT counted as wages for:
 - FICA and Medicare (saves you 7.65%)
 - L&I/Workers' Comp (saves you up to 25%)
 - Any other compensation-based taxes
